EXPERIENCE

LARAVEL DEVELOPER

Y&NOW

June 2023 - December 2023, BHOPAL

- Acquired and applied advanced Laravel development skills throughout the internship.
- Contributed to the Project Market Mingle, developing a comprehensive website for this BroadArks Technology initiative, guided by NASSCOM.

PROJECTS

MESSAGING APPLICATION [React Native framework]

June 2024 - Present

- Developed the UI for a messaging app using Expo React Native, including screens for registration, OTP verification, messaging, profile, and settings, similar to WhatsApp.
- Ensured a seamless user experience by integrating essential features and functionalities across all screens, enhancing usability and engagement.
- Optimized the app for performance and responsiveness, significantly improving user satisfaction and engagement.

MARKET MINGLE WEBSITE [Laravel framework]

July 2023 - December 2023

- Web Management System: Developed Project Market Mingle with multiple user roles and permissions for secure access control.
- User Interface: Designed intuitive web pages using HTML, CSS, and JavaScript to enhance user experience.
- API Development: Created robust CRUD APIs for efficient data management, showcasing Laravel framework skills under BroadArks Technology and NASSCOM guidance.

E-COMMERCE SHOPPING WEBSITE [Django framework]

July 2022 - December 2023

- Enables visitors to explore the entire website; however, product purchases require user registration.
- Facilitates user interaction post-registration, including wishlist and cart management, shipping details entry, order status checks.
- Empowers users with a seamless experience, ensuring secure login and logout functionality.

EDUCATION

B. Tech

SAGAR INSTITUTE OF SCIENCE AND TECHNOLOGY • BHOPAL • 2024 • 7.68 CGPA

12 TH
